

The Hall

Mountnessing Village Hall is situated alongside the playing fields adjacent to the windmill and welcomes users to its country setting. The Hall opens onto the Millennium Patio Garden complete with Lych gate, ideal for photographs. Also, for a donation to the Windmill Fund, we can supply access to the grounds of the windmill for that special photograph.

The Hall comprises an entrance foyer, hall 18.3 x 9.15m (60' x 30'), a large kitchen, toilets, and storage area. There is a small stage area. The Hall will accommodate 150 people for a seated event or up to 200 people for a disco/dance. There are 12 round tables seating up to 10 people and 20 banqueting chairs. There are additionally 120 folding soft chairs, which are stored on a mobile rack, and 10 plastic stacking chairs. There are twelve tables, size 184 x 76 cm (72 x 30") and twenty-four size 92 x 76 cm (36 x 30").

The hall has an excellent sound system, it does have a noise limiter – we do have neighbours!

The Hall shares the large free public car park, which also serves the adjoining playing fields.

Recent changes at the Hall

- Refurbished kitchen with new equipment: large range cooker (c/w induction hob); large fridge freezer; dishwasher; microwave
- Wi-Fi is now available at the hall for hirers.
- All the toilets were refurbished in 2021.
- The original roof-level cord-operated upper windows in the hall were replaced by modern, electric-operated windows in early 2022.
- The low-level windows have also been replaced by modern double-glazed units.
- A new set of folding chairs with mobile trolley rack.
